## Warehouse News

In January, we tackled a big project by disassembling 51 pews to create additional space in the warehouse for incoming donations. Throughout February, we facilitated a money transfer to Bro. Danny White in Vanuatu for the shipment of bible study material. We were also delighted to have Bro. Walt and Sis. Maggie Emry as well as Bro. Kuni visit the warehouse for discussion and final touches before their respective shipments<sup>1</sup>. Later in February, we made a \$14,000 purchase from U-Line to improve warehouse operations. On February 27th, we loaded Bro. Kuni's 20-foot container to be shipped to Brazil for his move to the mission field<sup>2</sup>. Then on March 5th, we loaded Bro. Walt's crate to be shipped to Vanuatu<sup>3</sup>. We also began our first annual Hygiene Kit Drive on Feb. 1st, and the response has been overwhelming. Thank you to all who have supported this effort!

## Challenges

March brought some complications. Our office computer's hard drive failed, but thanks to Bro. Luke Adam's help from our sponsoring church, we were able to build a much needed new PC as our last one was old. We also had our forklift operated on. With the help of local volunteers Bros. Bobby Shockley, Steve & Larry Collins, Matthew Crowe, and David Furgeson, we were able to get new brakes on the forklift. We can't thank these men enough!

## Meredith Update

At the time of typing this report, my grandmother, Frances, has completed another round of chemo and is waiting for a scan to see how they will proceed. Please continue to pray for her as well as my grandfather, Joel, as they continue this fight!

**Thank you for helping us help missionaries around the world!**
