April-June 2024

Warehouse News

We culminated our first hygiene kit drive in April¹, receiving donations from across the country! Over 3,000 kits were collected - a true blessing. This drive provided a fantastic opportunity for people of all ages to get involved with WWLMS. We plan to make this an annual event, aiming for 4,000 kits in 2025! Please keep this project in your prayers.

We were blessed to spend Mother's Day with Maplevale MBC in Hamburg, sharing the work of the ministry. We also have steadily been receiving donations. I thank God for the community He has blessed us with!

We are gearing up for a 40' container shipment for Bro. Livingstone Lambert in Tanzania on Sept. 3. Any and all volunteers are welcome! We're also exploring future shipments to the Philippines, Vanautu, and El Salvador. Please pray for the smooth completion of these projects!

My wife, daughter, and I were able to attend the National ABA Meeting in Springfield, IL in June and were blessed². We had several conversations about our ministry, and we pray God continues to use us as He sees fit.

Missionary Needs

Meredith Update

At the time of typing this report, my grandmother, Frances, is taking another round of chemo and has recently been hospitalized for pneumonia. She was released but is still feeling the effects. Please keep praying for her and my grandfather, Joel Meredith, as they continue this fight!

Thank you for helping us help missionaries around the world!
