Warehouse News

Our initial plan to ship the 40' container to the Philippines for Bro. Bill Johnson and ICP in December faced several delays, including navigating the potential port strike. Thank the Lord we finally shipped on January 28th! We're deeply grateful for the volunteers who made this possible.¹ ETA is April 3rd. Please pray for smooth transit and customs processing.

We're glad to report that the container shipped to Bro. Livingstone Lambert in Tanzania arrived in December! An exciting aspect of this shipment was the inclusion of 51 pews we disassembled earlier in the year.² Bro. Livingstone's community has successfully reassembled them!³ This approach has proven worthwhile, allowing us to ship more pews efficiently.

We're in the middle of our 2nd Annual Hygiene Kit Drive! Your generosity helped us collect over 3,000 kits last year. This year, we aim for 4,000! These kits are invaluable tools for missionaries to meet physical needs and open doors for their ministry. We've already received donations, and we are so grateful. Join us for our Hygiene Kit Assembly Day on March 22nd at 10 AM! All are welcome.

We hope to have work done on our forklift, which needs brake repair and an overall inspection. After that, we hope to ship a crate of hygiene kits and a set of the HPB ABA New Testament Commentaries to Bro. Livingstone in Tanzania soon. We are also collecting supplies for Bro. Julio Anzora in El Salvador and hope to ship that container shortly.

Meredith Update

My grandmother, Frances Meredith, has recently began a new chemo treatment, but her blood counts are consistently too low to take the treatments. She has been having a rough time lately. Please continue to pray for her and my grandfather, Joel, as they continue in this battle.

Thank you for helping us help missionaries around the world!
