Missionary Helpers
Report for March/April/May 2023

Joel & Hannah Campbell

Summary

It's been an interesting 3 months. We've had donations, traveled, and worked on small projects some, but most exciting of all was the birth of our first child!

Donations

The Lord continues to provide for the needs of His people. We received 109 hygiene kits from Hyde Park Baptist Church in West Monroe, LA. We also received a 15-passenger van from Trinity MBC in Murfreesboro, AR and several boxes of Bibles and tracts. We'd like to thank these churches for their contributions to WWLMS! We couldn't do it without you.

Travel

Hannah and I were blessed to be invited to attend the Bayou Macon Association's Missions Conference on April 2nd in Oak Grove, LA. We shared the work of WWLMS, we were encouraged, and we made connections with other local ministries. God is good!

Small Projects

The van mentioned above was given to us to give to Bro. Julio Anzora in Little Rock, AR. Initially, the plan was to send this to one of his mission points in El Salvador. However, El Salvador has laws that prevented that. But Bro. Julio was still able to use it for his congregation in Little Rock. We also assisted Bro. Kevin Plaster with the expense of shipping some of his tracts to a group of people that went to Romania. Bro. Kevin will pick up the tracts in Romania and carry them into Ukraine when he gets there. Bro. Walt Emry's shipment which was previously delayed is ready to proceed again. I am currently working on getting everything in order to ship that container to Vanuatu for him and his wife. This shipment will include personal effects, around 1,000 Bibles/New Testaments, his vehicle, and more. We also

received word that our last shipment for ICP to the Philippines made it to the port and was unloaded. It's always a blessing to hear that our hard work was not in vain and that the materials are in the hands of the people on the mission field!

We have had requests for chairs, Bibles, hymnals, and even more vans. If you have anything you would like to donate, please contact us!

Other

I'd like to share that our sponsoring church, Calvary MBC in Hamburg, AR, has called a new pastor, Bro. Jared Conatser. We are excited to have him and his family at Calvary, and we thank Him for the work He has done in preparing the church for our next leader while we were without one.

Personal News

Evelynn Rose Campbell was born on April 29th. She weighed 7lbs 0.8 ounces and was 20.5 inches long. I could fill this entire report solely talking about our daughter, but I will refrain. She is one of the greatest blessings that God has gifted us, and we thank Him for a smooth and safe delivery! Hannah and Evelynn are both healthy and doing well. We appreciate your prayers, and we ask that you continue to pray for the 3 of us. We all have much learning and growing to do, but we are trusting the Lord's will in all things!

Meredith Update

Grandmother is taking chemo treatments again. Thankfully she has taken this same treatment before, and it worked. We ask that you pray with us for her and Papa as they go through the all too familiar experience that is chemo treatments. She was able to have some time away with her daughters when they took their annual mother/daughter trip in early May.
