Missionary Helpers
Report for September-December 2023

Joel, Hannah, and Evelynn

Summary

We are excited to share the recent activities and accomplishments of our ministry over the past four months. Your support has been crucial in making a positive impact on various missionary endeavors.

Here's a snapshot of what we've been up to:

Generous Donations

We are incredibly grateful for the generosity of our supporters. Your donations have enabled us to continue our mission of supporting missionaries around the world. Your contributions play a vital role in making a difference in the lives of those who dedicate themselves to spreading the word of God.

Container Loading for ICP to the Philippines

We loaded a 40' HC container for ICP to the Philippines on December 19th. This shipment included church literature, backpacks from ICP's Backpack ministry, chairs, podiums, and more. Due to circumstances out of our hands, the container was delayed at the port. But God provided, and the container was cleared.

Shipments to Vanuatu and Brazil

Our commitment to missionary support extends to **Bro. Walt Emry's** shipment to Vanuatu and **Bro. Kunihiko Oba's** move to Brazil. We ask for your prayers for these endeavors, as we strive to facilitate Bro. Walt's ministry and Bro. Kuni's move to the mission field.

Container Shipment for Tanzania

We are diligently working on a 40' HC container shipment for **Bro. Livingstone Lambert in Tanzania** tentatively scheduled for late January/early February. On January 9th, the AR state mission builders and local volunteers teamed up to disassemble 49 pews, enhancing storage and container space. Huge thanks to all involved—donors, transporters, and disassemblers. Special thanks to Morris Transportation in Hamburg for their help with transportation and Bro. Joe Hellums for all his work on this project. We are immeasurably grateful for the community effort—thank you all!

Arkansas State Meeting and Health Update

Our plans included attending state meetings in Arkansas, Texas, and Louisiana. Regrettably, we were only able to

attend the Arkansas meeting due to unforeseen circumstances. My wife, our daughter, and I contracted RSV, preventing us from participating in the other two meetings. Thankfully, through God's grace, we have all recovered well.

Appreciation Event

We recently hosted a fish fry and cookout at the warehouse to express our gratitude to our sponsoring church, Calvary. The event was a tremendous success, with a fantastic turnout. It was our way of showing appreciation for all they do to support our ministry and family. *Next year, we plan to host another event to thank all our supporters for their invaluable contributions. Once we have a date set, we will be sure to share it with you.*

Warehouse Organization and Improvements

Inside the warehouse, we've been busy reorganizing. Thanks to your support, we were able to purchase wire racking for our shelves, costing around \$3,000, which has allowed us to maximize storage space. We had the parking lot worked on, costing \$9,500, and we've also transformed our old packing room into a library for missionaries to browse books before shipping. Special thanks to my mother, who volunteered her time to help with this initiative. She offered to work on her off days, and she worked very hard. She is truly a servant!

Future Plans

Looking ahead, we have ambitious plans for the warehouse, including further organization and optimization of logistics. Additionally, we aim to enhance the grounds for a more efficient and streamlined operation. Your prayers for wisdom and guidance in aligning our plans with the Lord's will are deeply appreciated.

Meredith Update

Unfortunately, my grandmother's (Frances) cancer is growing due to pausing her treatment. She had an allergic reaction to her last treatment, so they decided to postpone them for a while. They've recently resumed treatment. Also, my grandfather has been having back issues. Please keep both Frances and Joey in your prayers.
